Southern Appalachian old timey mountain and modern Americana music played with gusto and authenticity, learnt directly from the masters during visits to USA festivals and band camps.

Appalachian Heaven Stringband perform driving and sensitive fiddle tunes, dance tunes with curly toes, cheeky songs & disarmingly touching ballads ... delighting audiences young and young-at-heart!

This twelve year old Melbourne String Band has released five CDs.

The band's new CD "Hold Your Lying Tongue" was released at National Folk Festival Canberra, Easter 2017
